

General Deposit Information

- Clark's Labrador Retrievers reserves the right to keep first pick of any litter.
- Puppies are picked in order that the deposit is received, for that specific litter. A deposit of \$500 is required to hold your pick. **Please contact us to confirm availability prior to sending a deposit.**
- All deposits are non-refundable and non-transferable. We take the commitment of receiving a deposit seriously, thus turning away other families or those interested in a specific pick from a specific litter. Likewise, we expect families placing a deposit to understand the seriousness of the decision, realizing the deposit is nonrefundable and non-transferable. We would encourage those with specific requirements of color, size or timing to wait until pups are on the ground and individual pups become available until placing a deposit.
- The balance is due at the time the puppy is 8 weeks of age. Puppies are expected to be picked up at 8 weeks of age, unless prior arrangements have been made. Balance may be paid with cash, money order, cashier's check, Zelle, or Venmo. If paying by personal check, please send 10 days prior to puppy pick up.
- If puppy is not paid in full by 8 weeks of age, buyer understands the puppy will be relisted, and buyer will lose deposit.
- Puppies are sold on **limited AKC registration**, unless otherwise discussed.
